PROJECTS UNDERTAKEN

Diploma final year project
Project title: solar thermal power generation plant prototype
- **Description:** The project included manufacturing a working prototype of solar powered system capable of electricity generation. For this purpose we converted solar energy of the Sun to thermal power then it can be used to run a turbine to generate electricity.

B.E. Final year project
Project title: solar assisted electric bicycle with insulated box for food delivery purpose
- **Duration: 6 months**
- **Description:** The project included learning the fundamentals of cementing in vertical wells and identifying the problems in the same. A model demonstrating the process of cementing was also made in this project.

SKILL SET
1. Team Player

2. Team Leader

3. Good in Sports

4. Communication Skills.

5. Adaptable

6. Good with Time Management
